Signed for and on behalf of TÜV UK Limited, the Certification Body

This certificate, owned by TÜV UK Limited, has been issued in accordance with TÜV UK Limited's auditing and certification procedures, which may be updated periodically. The certificate will remain valid as long as there are no significant changes to the referenced designated standard in the construction product regulation, the assessment and verification systems for performance constancy, or the manufacturer's production conditions, unless suspended or withdrawn by the approved body. Annual surveillance is required to maintain certification.
